

## **Arlington Public Schools- Haller Gymnasium Use Rules**

Our community and school district have made a significant investment for our students and their programs by replacing the Haller Gymnasium floor. In order to maintain the floor and bleachers to provide years of high quality use the following rules will be enforced for ALL users:

- No food, gum, beverages or glass containers are allowed in the gym
- The only liquid allowed in the gym is water. Gatorade and other sport/soft drinks may be consumed outside the gym and disposed of in the provided recycle containers
- Shoes worn on the gym surface must be non-marking
- Wheeled carts for equipment must have rubberized wheels
- All fitness class equipment such as posters, standards, charts, etc. will be left as found
- Outside facility users wishing to rent the gymnasium may be required to pay for custodial services, including setup and teardown.
